

NORTH CAROLINA OFFICE OF RURAL HEALTH PRESENTS:

ESSENTIAL STEPS TO TELEHEALTH:

WORKSHOPS TO HELP IMPROVE OR SUSTAIN YOUR PROGRAM

NC DEPARTMENT OF
**HEALTH AND
HUMAN SERVICES**
Office of Rural Health

BEGINNING FEBRUARY 2022

PLEASE SEND QUESTIONS TO
ROBYN.MCARDLE@DHHS.NC.GOV

Please join us next month virtually for an interactive workshop to learn more about telehealth in North Carolina. In these 90-minute workshops we will answer questions, provide information and work through some common challenges that health care providers face when working with telehealth. These are interactive sessions, so bring your questions and ideas! We look forward to meeting with you in February! More details coming soon.
